Screen South's Open Doors, Step Up project aims to help you turn your digital hobbies into a career. We can also support eligible residents in starting up a digital business with kit use, portfolio building, and showcasing your business at a free industry event.

The Open Doors, Step-Up project is possible due to funding from Folkestone Community Works Programme which is part funded by the European Structural and Investment Funds 2014-20 and is managed by Folkestone and Hythe District Council.
